

## THE PALLADIAN DINNERS

### What

The Palladian Dinner is an experience of senses: taste the traditional recipes of Vicenza while enjoying the smart dwelling of the XVI century - a palladian villa. Feel the sensation of Palladian style: what better way to discover the excellence and the heritage of the Vicenza area?

### Where

The Palladian Dinners are held in villas designed by Andrea Palladio, where guests can rediscover his genius and appreciate the local landscape. Our chefs are pleased to invite you to an unforgettable dinner in an historic residence. The flavours of traditional Vicenza cooking will be accompanied by attractions, narratives, as you are magically immersed in the atmosphere of these 16th-century homes.

## The menu

It's specially composed for the occasion: brings together seasonal local products, typical wines of Venice region and the creativity of our chefs, who look forward to guide you through a marvellous gastronomic experience.

## Tour

An essential part of the evening is the **tour of the villa and the gardens**, where guests can discover its delights, details and secrets.

## Contacts

The Palladian Dinners will take place on demand of tourist groups (minimum 50 persons).
